Vitasoy Recognised as Corporate Knights' Global 100 Most Sustainable Corporation for the Sixth Consecutive Year

(HKSAR, 22 January 2025) Vitasoy International Holdings Limited (“Vitasoy” or the “Company”, SEHK Code: 00345) is pleased to announce that it has been featured in Corporate Knights' ranking of the Global 100 Most Sustainable Corporations for the sixth consecutive year. This year, Vitasoy is ranked highly among companies in both the food and beverage manufacturing group, and the food products industry.

Over the years, Vitasoy has been rolling out sustainability-focused initiatives which are aligned with its purpose, to advance the world’s transformation towards a sustainable future through the amazing power of plants. Vitasoy has integrated Nutrition, Taste and Sustainability into all aspects of its operations, and is committed to its Sustainability Framework of “Making the Right Products” and “Making Products the Right Way”.

Mr. Roberto Guidetti, Group Chief Executive Officer of Vitasoy, said, “We are truly honoured to be recognised once again by Corporate Knights. This acknowledgement not only affirms our commitment to fostering a sustainable environment through our plant-based product portfolio and operational practices, but also motivates us to continue innovating and leading in the plant-based sector. At Vitasoy, we remain dedicated to ensuring that our products nourish our consumers while positively contributing to the planet for generations to come.”

Established in 2002, Corporate Knights is a leading sustainable-economy media and research B Corporation. Corporate Knights' Global 100 Most Sustainable Corporations ranking is based on a rigorous assessment of public companies worldwide with revenue over US\$1 billion. This year, Corporate Knights evaluated 8,359 companies against their global industry peers on a suite of up to 25 quantitative key performance indicators, including sustainable revenue and investment, resource management, employee management, financial management, and supplier performance.
